Worksheet: Future Continuous Tense

Name _____ Date _____

Section 1: What is the Future Continuous Tense?

The future continuous tense is used to talk about an action that will be in progress at a specific point in the future. We form it with:

Subject + will be + verb-ing (present participle)

For example:

- *At 9 PM tonight, I will be watching a movie.*
- *Tomorrow at this time, they will be flying to Rome.*

The key idea is that the action isn't finished; it's happening at that moment in the future. We often use it with specific time expressions like: *at this time tomorrow, in an hour, at 5 PM, all day on Tuesday, etc.*
